HONEY DETOX DRINK

An exclusive healthy detox drink made with lemon, honey, ginger and other Indian spices. What makes us different? : The honey which we are using here is not a commercial honey but is directly from the bee farmers.

Benefits: Aids weight-loss, purifies blood, improves digestion and stimulates detoxification. Complementary: you can add a range of 10+ herbs over your drink to enhance the therapeutic benefits.

JAMUN HONEY DRINK (200 ML)

25

In this drink, the honey which is used is Jamun Honey. Jamun honey has low Glycemic Index and hence it is more suitable for diabetic people also*.

Rest all spices are same.

Jamun Honey Wiki:

In case of Jamun Honey, bees collect nectar from Jamun flowers. Wondering how?? Simple. The bee boxes are kept at Jamun forests so honey bees go and collect from the nearest blooming flower.

*Under medical supervision.

FLORA HONEY DRINK (200 ML)

20

In this drink, the honey which is used is Flora Honey. Rest all spices are same.
